Dear Sir:

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
UNDER 37 C.F.R. 1.181(a)**

It is respectfully requested that the USPTO withdraw the holding of abandonment and continue examination of this application. The application was abandoned by the USPTO for Applicant's failure to timely file a response to the Notice to File Missing Parts (Notice) dated 09/11/2003. The Applicant contends that this application is, in fact, not abandoned. The facts relating to the abandonment of this application are as follows:

1. A Notice to File Missing Parts (Notice) was mailed by the USPTO on 09/11/2003.

2. The Applicant timely submitted a Response to Notice to File Missing Parts of Application to the USPTO by facsimile to (703) 746-4060 on 11/03/2003. A copy of this submittal is enclosed herewith, along with the Facsimile Transmission Verification Report receipt dated 11/03/2003. (Enclosure A)

3. A Notice of Abandonment was issued by the USPTO on 10/14/2004. The notice stated that the Applicant failed to respond to the Notice to File Missing Parts (Notice) dated 09/11/2003. (Enclosure B)

The Applicant contends that a response was timely filed with the USPTO and the Facsimile Transmission Verification Report receipt dated 11/03/2003 is proof that the USPTO received the response in a timely manner. The Applicant further contends that no petition fee is due since the response was misplaced by the USPTO.

For all the above reasons, the Applicant respectfully requests that the USPTO withdraw the holding of abandonment and continue examination of this application.

Respectfully submitted,

John C. Han
